## *Seneca students visit old friends*

On one gorgeous day sandwiched between days of continuous rain, the K-2 class from Seneca brought their talent and friendship to share with elderly residents of Apricot Acres, Canyon Creek Guest Home, Jack and Denice Seebartís home, and Valley View. The students performed their rap rendition of the Three Billy Goats Gruff, and also sang a medley of old-time songs while they strummed on their homemade banjos. After performing, the students mingled with residents, sharing smiles and hugs, holding hands, and visiting. A good time was had by all!
